**Consortium Structure and Membership**

Up to this Dec 2007, the consortium has simply been one group meeting on the first Thursday of each month.

It's active members are:

- IOW Rural Community Council
- IOW Citizens Advice Bureau
- IOW Age Concern
- IOW St John's Ambulance
- IOW Anchor Staying Put
- Learning Links
- Osel
- Riverside Centre
- Equals
- Real World Trust
- Footprint Trust
- Hampton Trust
- North Medina Development Trust
- Isle of Wight Council
- Isle of Wight Economic Partnership

Other partners who receive meeting details and papers are:

- Island 2000
- Medina Housing Association
- South East England Development Agency

Following the consortium self assessment it was decided that it may be beneficial to use smaller working groups to focus on specific pieces of work and for the core group to only meet quarterly from 2008.

This approach will be tested in 2008 and providing there is sufficient interest in participating in working groups, adopted as the way forward.
